Credits and Acknolwedgement

Learning through Cultural Connections: The Northern Lights was funded by grant S356A140018 (2014-2018) from the U.S. Department of Education. Products developed under this grant do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the federal government. STEM Teaching in Rural Areas using Cultural Knowledge Systems (STEM TRACKS): This material is based upon work supported by the National Science Foundation under Grant No. 1812888. Any opinions, findings, and conclusions or recommendations expressed in this material are those of the authors and do not necessarily reflect the views of the National Science Foundation. New educational resources are currently in development through a cooperative agreement with the NASA Space Science Education Consortium (Cooperative Agreement: NNX16AL65A, 2016-2021). Any opinions, findings, and conclusions or recommendations expressed in this material are those of the authors and do not necessarily reflect the views of the National Aeronautics and Space Administration. Background photo by Julie Hughes. Movie poster background photo by Sacha Layos. Graphics, animation, and videography for Cultural Connections by V.L. Daniels, H.R. Foss, and Q. Li (UAF Geophysical Institute). Planetarium video filmed and produced by OpenLens Productions with assistance from T. Rector (University of Alaska Anchorage).
